Rendezvous

RESTAURANT MENU

We are following government guidelines to ensure COVID-secure compliance where we can in relation to re-opening during the COVID-19 situation.

We will be issuing track and trace forms on entry to the restaurant. These forms are required to be completed and handed back to us if you wish to dine-in with us. They are stored on-site for 12 days (the Government's recommendation) and then destroyed. We have followed GDPR legislation where we can.

There will be signage in the restaurant and someone will be on the door to explain our social distance measures before you dine with us. There will also be sanitising stations throughout. We hope over time these measures will get relaxed but for now, everything is in place for your protection and safety.

Please note, we will add a 10% optional contribution to your bill to help support our business during this time. Thank you.

Remember you can also enjoy our food in the comfort of your home with our very own online ordering website!
